Breaking: Dante's Comes Back!!!

If you don't know by now then I will tell you, I am an unabashed fan of Dante's Cove!! This supernatural soap has all the [elements](#) to get you hooked, as long as you don't take it seriously. I [watched](#) all three season in one long marathon and anxiously [awaited](#) season 4. I kept up with it on Facebook and knew that they filmed most, if not all of season 4 but nothing. I scoured Here's website and [press](#) releases to see when my show would be back. It seemed as though the show was dead, everyone involved said it was, that there was no way it would be back. Now though the show not only has a pulse again but a time [frame](#) to return to our screens!! Eric Feldman Here's [general](#) manager said "We are most excited to [announce](#) the return of the wildly successful cult [favorite](#) Dante's Cove, Book of Tresum will delight the die-hard fan as well as the thrill new viewers worldwide."
