## A new season of sexy supernatural sudser "Dante's Cove" – and more – is in development at here! TV

By Greg Hernandez on Jun 8, 2011 9:35 am | [Comments \(0\)](#)

Remember *Dante's Cove*? For awhile there, it was my favorite guilty pleasure. But we have not seen any new episodes of the supernatural soap opera since the end of the third season in 2007.

But here! TV has just announced that a new season of the show is in development. The new chapter begins as the protectors of the "Book of Tresum" seek out the only individual who can unite the Houses of the Sun and the Moon.

I checked with the network on casting and it is not known if any of the original cast will return. Let's hope so! Who was more delicious than *Tracy Scroggins* as Grace Neville and *Thea Gill* as her sister Diana Childs? They were like Krystal and Alexis!

And the men!

William Gregory Lee as Ambrosius Vallin was superb and the heart of the show was *Charlie David* as good guy Toby Moraitis. The man who was loved by both was adorable Kevin Archer played by *Gregory Michael* who went on to the ABC Family series *Greek*.

Other stand-out cast members included *Jensen Atwood*, *Jill Bennett*, *Jon Fleming* and *Michelle Wolff*.

"We are most excited to announce the return of the

wildly successful cult favorite *Dante's Cove*," Here! TV's Executive Vice President and General Manager *Eric Feldman* said in a statment. "Book of Tresum will delight the die-hard fan as well as the thrill new viewers worldwide."

Also in development at here! TV:

*She's Living for This* (six episodes; 30 minutes) Premieres Late Fall 2011 — This nod to '70s variety shows (think *The Carol Burnett Show* and *Sonny & Cher* meet *Laugh-In*) stars drag superstar *Sherry Vine* and a cavalcade of comic sidekicks. Featuring songs, skits, and short films, this comedy promises to tickle the funny bone.
