Brace yourselves, ladies, because whatever happened at The Dinah, won't stay at The Dinah.

Here! TV, the world's leading premium gay television network, will unveil the new docu-special *Dinah Girls* on June 3. *Dinah Girls* goes behind the scenes to uncover the world's largest women's weekend, Club Skirts The Dinah.

"When we were looking at creating new programming for 2011, it seemed like a natural fit for us to do a long format piece on Club Skirts The Dinah for here! TV. We have attended the event for a number of years and covered it in a variety of ways, but this hour-long special is a fun and unique peek at this wonderfully outrageous weekend," says here! TV's Senior Vice President of Original Programming & Development Josh Rosenzweig.

The outrageous Kayden Kross will give an insider's tour of all things The Dinah. From the Official Kickoff Party to the Hollywood White Diamonds Party, and the wild and crazy "Love Is Louder" pool party. *Dinah Girls* also features exclusive interviews with The Dinah's 2011 celebrity guests including Natasha Bedingfield, Paula Poundstone, Dev & the Cataracs, and the hottstuff of *The Real Housewives of Orange County*, Fernanda Rocha.

If you haven't made it to The Dinah yet, here's your chance to see what you're missing. Consider it the equivalent of hitting up Rosarito during Spring Break – IF you took every lesbian you knew and their ex girlfriends with you. Don't worry... the booze is flowing, so everyone gets along.

If you DID make the pilgrimage to the holy land of lesbians that is Palm Springs (be advised, it's only Holy Land of lesbians that single week of the year), this is your chance to relive the experience. Unless you were plastered, in which case, you get to live it as if for the first time.

Cheers, ladies!
